

YONG-KEE JUN

[Dependable Systems Laboratory](#), [Department of Informatics](#)
[Gyeongsang National University](#), [Jinju](#), 660-701
South Korea
Office: +82-55-772-1371; ITRC: +82-55-772-2675

Mr. Yong-Kee Jun received the BS degree in [Computer Engineering](#) from [Kyungpook National University](#) (KNU), and the MS and PhD degree in [Computer Science](#) from [Seoul National University](#) (SNU). He was a research associate in [Computer Science](#) at [Univ. of California, Santa Cruz](#) (UCSC), and a research staff in [Electronics and Telecommunications Research Institute](#) (ETRI).

Dr. Jun is now a full professor of [Gyeongsang National University](#) (GNU) where he had served as the founding professor of [Dept. of Informatics](#), the vice-dean of [Academic Affairs](#) (2003-2005), the first director of GNU [Research Institute of Computer and Information Communication](#) (RICIC), the first operating director of [GNU Virtual College](#) of which system platform was developed by his team, and the director of [GNU Embedded Software Center for Avionics](#) (GESCA) which is a national IT Research Center (ITRC) of South Korea. Currently he is the director of GNU [Campus IT Services](#) (CIS), the director of Korea [Cyber Education Center of Information Security](#) (CECIS), and the director of Korea [e-Learning Support Center at Gyeongnam Province](#) (eLSC-GP).

As a scholar, he has produced [some publications](#) developed by his professional interests including parallel/distributed computing, embedded systems, and systems software. His research has focused primarily on dependability of concurrent software, and proudly produced eleven brilliant doctorates including Dr. Dong-Gook Kim ([Meritech Co., Ltd.](#)), Dr. Young-Cheol Kim ([Int'l Univ. of Korea](#)), Dr. Hee-Dong Park ([Joong-Bu Univ.](#)), Dr. Jeong-Si Kim ([ETRI](#)), Dr. So-Hee Park ([JNU of Education](#)), Dr. Mi-Young Park ([Donga Univ.](#)), Dr. Young-Joo Kim ([ETRI](#)), Dr. Byung-Chul Kim ([STX](#)), Dr. Moon-Hye Kang ([GNU](#)), Dr. Ok-Kyoon Ha ([GNU](#)), and Dr. Guy Martin Tchamgoue ([University of Waterloo](#)).

Prof. Jun is a member of [Association for Computing Machinery](#) (ACM) since 1994 and [IEEE Computer Society](#) since 1982. Domestically, he is involved in two technical societies: a life member of [Korea Information Science Society](#) (KIISE) as a director of the 17-th executive board and the 13-th chair of [KISS Youngnam Regional Society](#); a life member of [Korea Information Processing Society](#) (KIPS) as a vice president of the 8-th executive board and the first chair of KIPS Youngnam Regional Society. He is also listed in [Who's Who in the World](#) since the 21st edition, 2004.
